Rector's Decree no. 490/23 – 20/10/2023

On 13/12/2023 at 15.30, the Selection Committee for the public selection procedure for the position of researcher at the University of Gastronomic Sciences within the project financed by the PNRR NODES PoC Academics "DMD - Digital Mediterranean Diet" - SSD AGR/15 - Food sciences and technologies - Rector's Decree no. 490/23 – 20/10/2023.

The committee, appointed with Rector's Decree 504/23 of 27/11/2023, is made up as follows:

- Luisa Torri, Full Professor of Food Science and Technology AGR/15 at the University of Gastronomic Sciences;
- Maria Piochi, Assistant Professor of Food Science and Technology AGR/15 at the University of Gastronomic Sciences;
- Andrea De Vecchi, doctoral student at the University of Gastronomic Sciences.

The Committee confirms the presence of the candidates:

| | Surname | Name | Place of Birth | Date of Birth |
|---|----------------|-------------|------------------------------|----------------------|
| 1 | RICCI | Michele | Firenze | 8/06/1994 |
| 2 | TOMIC-OBRDALJ | Helena | Iajce (Bosnia e Herzegovina) | 15/09/1979 |

The Committee attests to the absence (both in the in-person and remote modes) of candidates Melis Gaele, Scocca Paola and Tondi Francesca.

In accordance with what is outlined in the pre-determination session of the evaluation criteria, the Committee proceeds to examine each candidate.

The objective of the interview is to discuss the qualifications presented by each candidate, with an in-depth analysis of the topics related to the disciplinary area and the research activity referred to in the project indicated in the call, as well as the assessment of candidates' knowledge of the English language.

At the end of the interview, the Committee proceeds, according to what is outlined in the pre-determination report of the evaluation criteria, to assign the following score (see Annex C):

| Surname | Name | Score |
|----------------|-------------|--------------|
| RICCI | Michele | 58/60 |
| TOMIC-OBRDALJ | Helena | 50/60 |

Based on the overall score obtained by the candidate (Annex D), the committee, with a unanimous resolution by its members, declares MICHELE RICCI as the winner of the call for public election for the conferral of a grant for carrying out research activity.

The Committee announces the name of the winner through publishing on the university website.
